

ABSTRACT

Zubaidah Sandy, 2024, **Analysis of the Impact of Fatherlessness on Adolescent Social Development at SMKN 3 Padang**

This research aims to analyze the impact of fatherlessness on adolescent social development. The method used in this research is quantitative descriptive correlational. The research was conducted at SMKN 3 Padang class XI. The population in this study was 464 people with a sample of 46 respondents. The sampling technique is non-random. The instrument in this research is a Likert scale questionnaire. Data analysis was carried out using statistical programs on the computer IBM Statistics 20.0 and Microsoft Excel 2010. Based on the results of data processing, the r_{count} value was obtained, namely -0.509, while the r_{table} value was 0.290 because the r_{count} value was smaller than the r_{table} value ($-0.509 < 0.290$), it was concluded that The impact of fatherlessness does not affect teenagers' social development.

Keywords: Fatherless, Adolescent Social Development, Analysis Results

ABSTRAK

Zubaidah Sandy,2024, **Analisis Dampak *Fatherless* Terhadap Perkembangan Sosial Remaja di SMKN 3 Padang**

Penelitian ini bertujuan untuk menganalisis dampak *fatherless* terhadap perkembangan sosial remaja. Metode yang digunakan dalam penelitian ini kuantitatif deskriptif korelasional. Penelitian dilakukan di SMKN 3 Padang kelas XI. Populasi pada penelitian ini berjumlah 464 orang dengan sampel yang berjumlah 46 responden. Teknik pengambilan sampel yaitu secara *Non Random*. Instrumen pada penelitian ini adalah angket skala *likert* . Analisis data dilakukan dengan menggunakan program statistic pada computer IBM Statistical 20.0 dan *Microsoft Excel* 2010. Berdasarkan hasil pengolahan data maka diperoleh nilai rhitung yaitu sebesar -0,509 sedangkan nilai rtabel 0,290 karena nilai rhitung lebih kecil dari nilai rtabel ($-0,509 < 0,290$) maka disimpulkan bahwa dampak *fatherless* tidak mempengaruhi perkembangan sosial remaja.

Kata Kunci: *Fatherless, Perkembangan Sosial Remaja, Hasil Analisis*
