NO : ~~738~~/UPI-YPTK/MoU/VIII/2025
NO :

Subject to Malaysian Law and in an effort to promote cooperation and benefit to both parties, Karang kraf and Universitas Putra Indonesia "YPTK" hereby agree that this Letter of Intent will act as a general framework for the cooperation to be held as follows:

Encourage opportunities in sharing expertise, equipment and facilities;

- Collaboration in the implementation of relevant training and certification consultation programs;
- Cooperation in the development of human resource development programs;
- Collaboration in the implementation of internship programs for students and/or trainees;
- Joint activities in research, innovation, and commercialization of research outcomes;
- Collaboration in community service activities and the empowerment of local entrepreneurs;
- Implementation of the "Teaching Practitioners" (Praktisi Mengajar) program to enhance knowledge transfer between industry and academia; and
- Execution of other cooperation programs mutually agreed upon by both parties as needed.

Both parties understand that if the activities are to be implemented, all costs and responsibilities should be conferred together and depend on the resources available in their respective institutions. This agreement is valid for 5 years

The implementation details of each project must be detailed together.

The parties hereby sign this Letter of Intent on 30 Juli 2025
