Dear Mr. Rafki Imani,

On behalf of the Organizing Committee, we are pleased to inform you that your abstract submission e
Based Damping Innovation Using Bio-Based Composites for Sustainable and Seismic-Resilient Commi
accepted for presentation at **1st International Conference on Sustainable Living and Community Welli**
2026) - Track 1: Innovative Science for Sustainable Healthcare.

The conference will be held on **06 February 2026**, in **hybrid mode**, organized by **INTI International Univer**

SustainWell 2026 highlights the importance of integrating wellness, environmental care, and sustainable
build resilient communities. The conference provides a dynamic platform for sharing evidence-based res
ideas, and practical solutions that can be applied in real-world settings to enhance quality of life and pr
sustainability. By bringing together experts, practitioners, community leaders, and policymakers, t
meaningful collaboration and inspires collective action toward sustainable living and holistic wellness
