

## **ABSTRACT**

Rayhan Anugrah Irwan, 2021, *Parenting and Aggressive Behavior in Class X Even Semester Students of SMA N 14 Padang, Academic Year 2020/2021, Bachelor of Counseling Guidance Education, Teaching Faculty of Education, Putra Indonesia University "YPTK" Padang*

*This study aims to determine the relationship between Parenting and Aggressive Behavior in Class X Even Semester Students of SMA N 14 Padang, Academic Year 2020/2021. The population in this study were 247 students of Class X SMA N 14 Padang, and the sample was taken using the proportional random sampling method so that the sample obtained was 153 respondents. The instrument used in this study was a questionnaire compiled according to a Likert Scale model. The type of data in this study is primary data obtained from SMA N 14 Padang. The analytical tool used is SPSS version 22. The results of the research test show that there is a positive and significant relationship between the parenting style variable and the aggressive behavior variable. This can be seen because  $r_{count} > r_{table}$  with a value of  $0.465 > 0.158$ .*

**Keywords : Parenting relationship, Aggressive behavior**
