**Review Report**

This journal uses double-blind review process, which means that both the reviewer (s) and author (s) identities concealed from the reviewers, and vice versa, throughout the review process. All submitted manuscripts are reviewed by three reviewers one from India and two from overseas. The average results of three reviewers of review report are given below.

Registration: C05002930

Paper ID: C05002930

Paper Title: Development of Entrepreneurial Digital Learning Model in the Industrial Revolution 4.0 To Improve 21st Century Skills

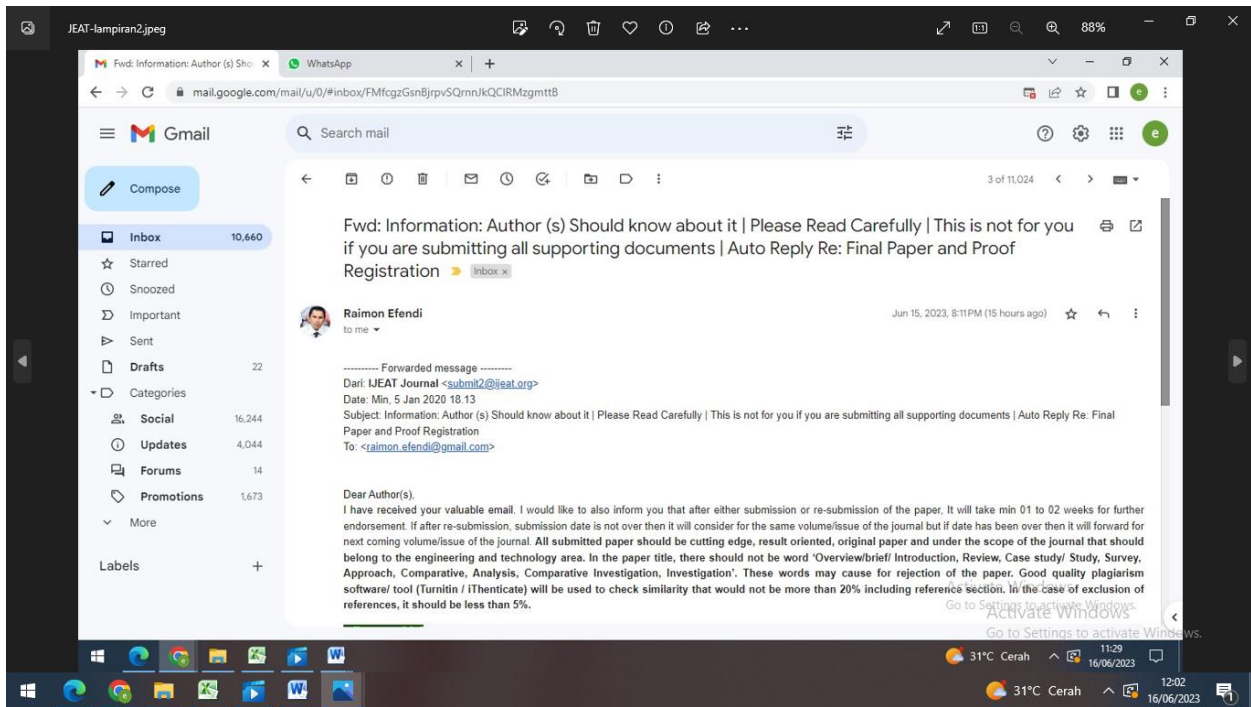

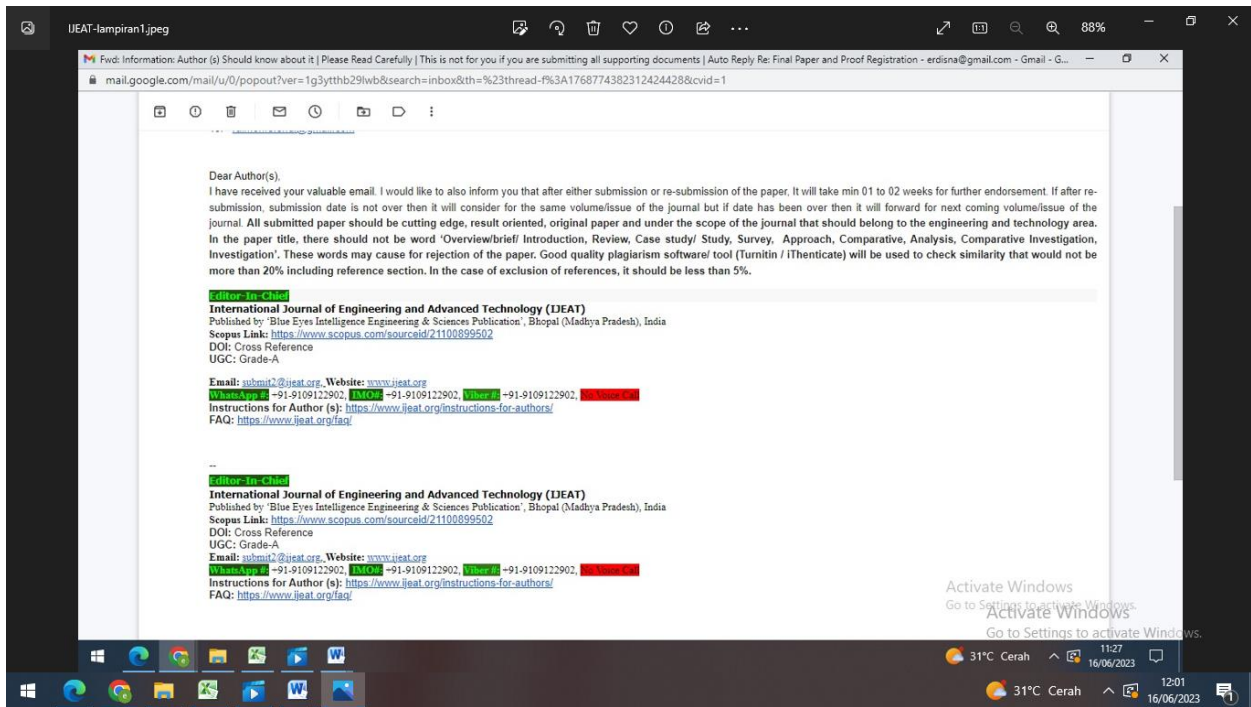

Author(s): Estelita, Ganiati, Rahmat, Wawan E. Hani

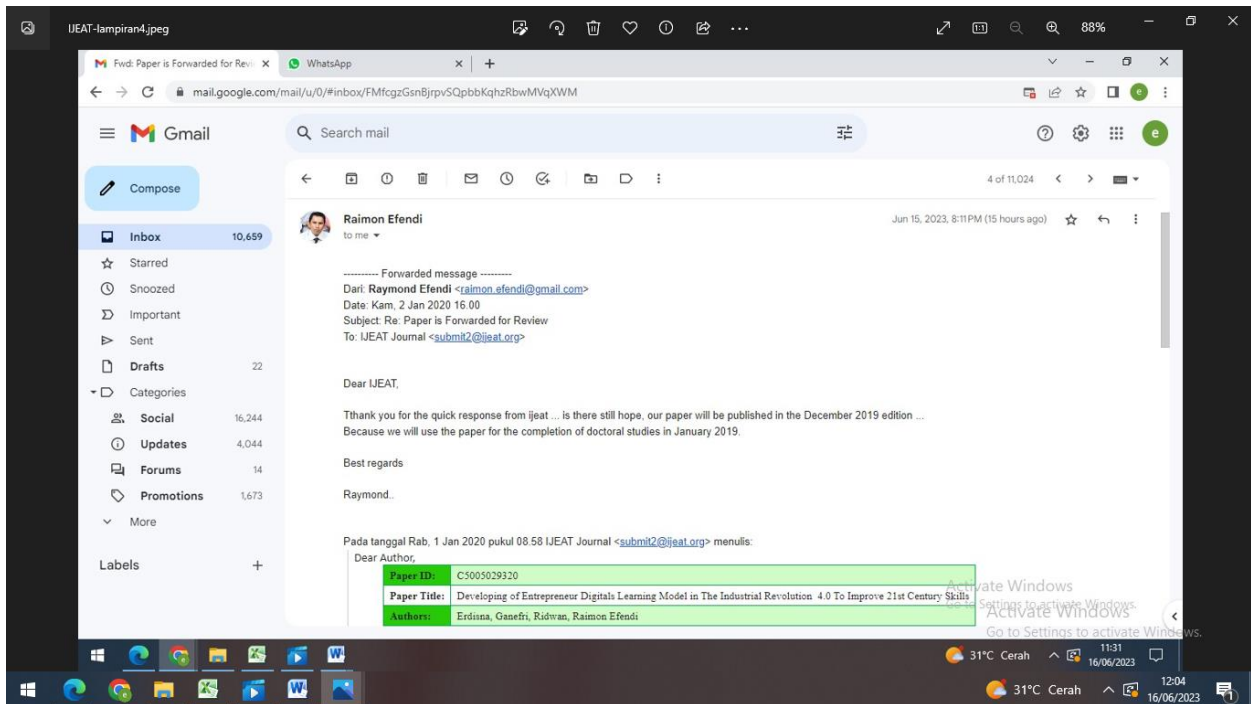

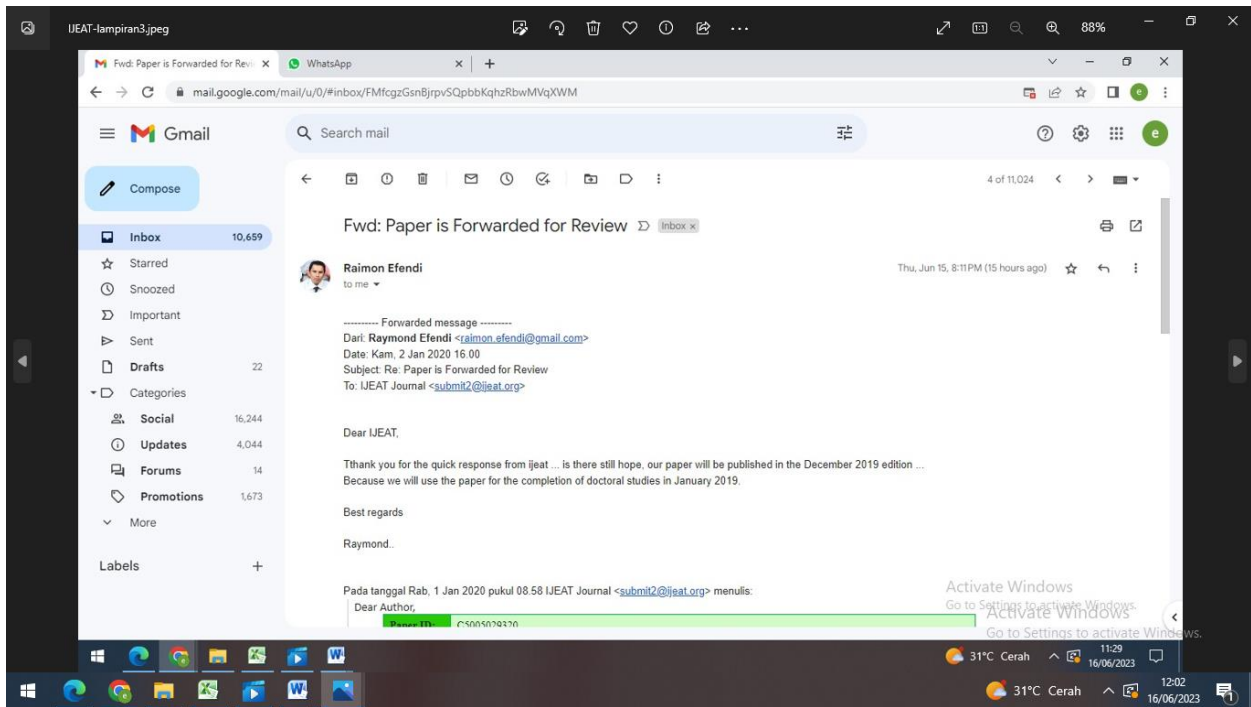

Evaluation: **Excellent**

1 = Very Poor | 2 = Poor | 3 = Good | 4 = Very Good | 5 = Outstanding | NA = Not Applicable

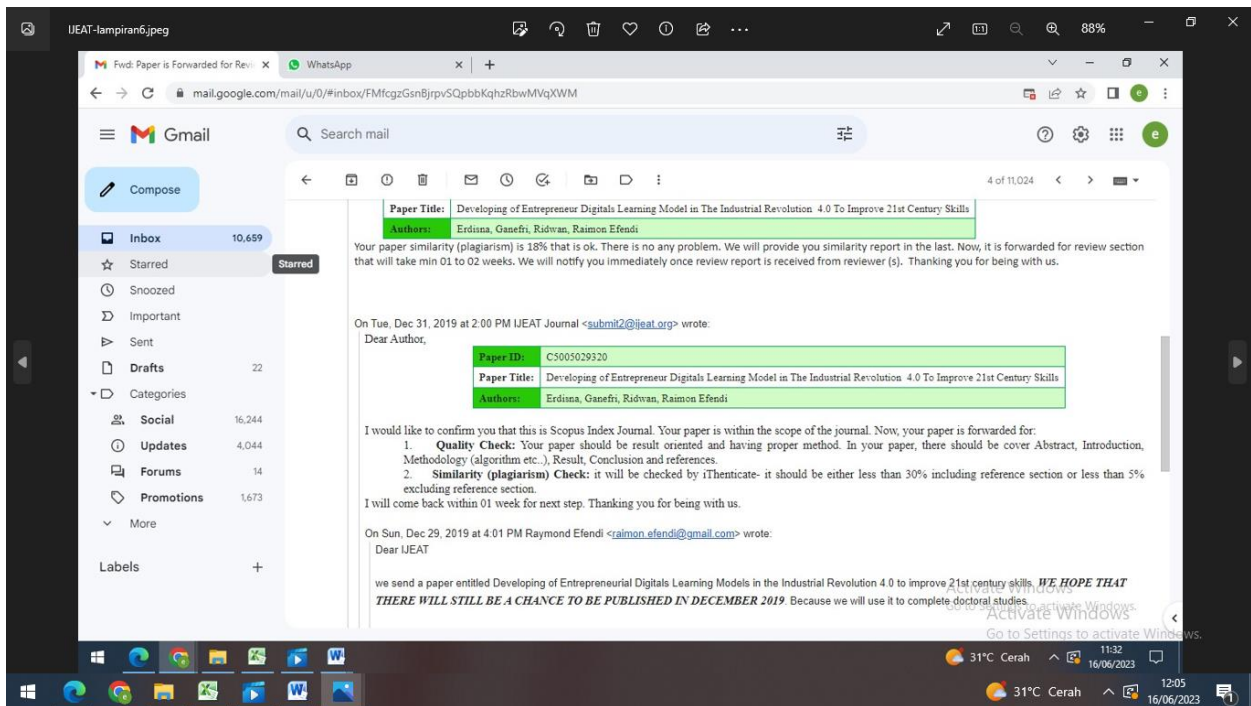

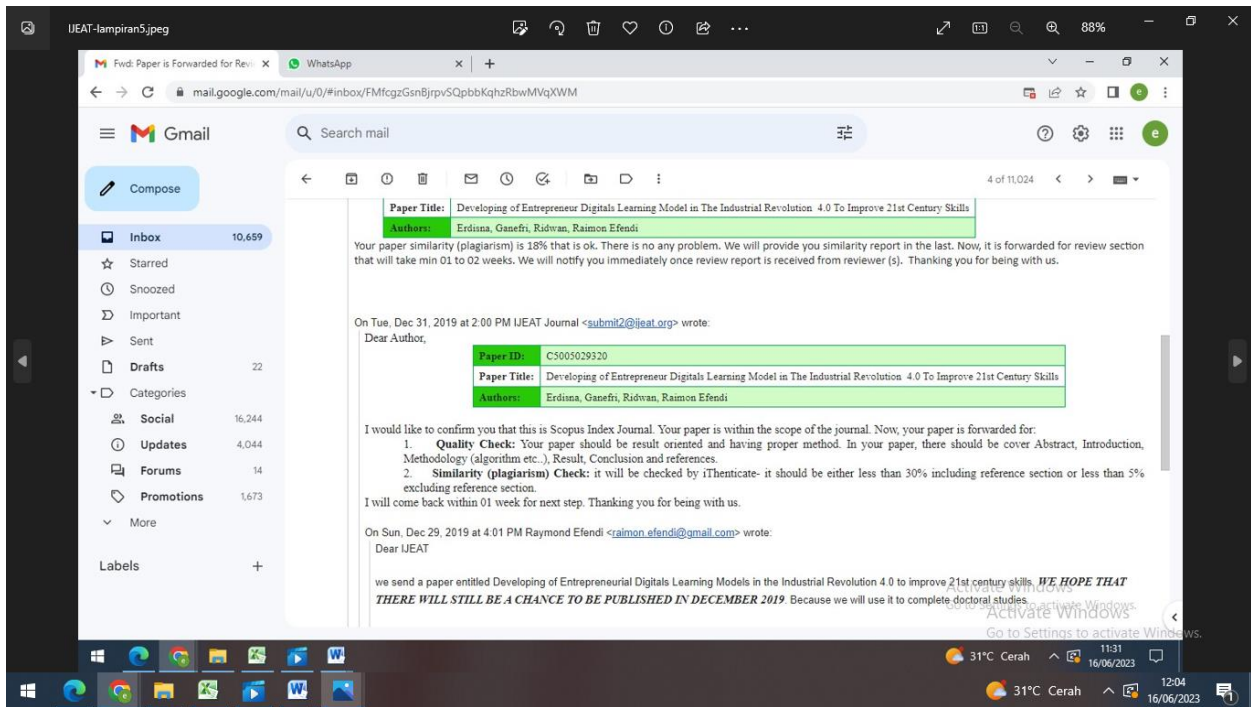

Criteria	1	2	3	4	5	NA
01. Relevance to the scope of the journal						
02. Contribution to the respective field						
03. Technical strength						
04. Plagiarism of the paper						
05. Intelligibility and significance of the paper title						
06. Temporarily and description of the abstract						
07. Relevance of abstract with proposed approach/technology						
08. Literature survey and problem identification, if any						
09. Feasibility study of the proposed approach/technology						
10. Relevance and clarity of drawings, graphs and tables						
11. Explanation of drawings, graphs and tables						
12. Clarity and appropriate explanation of equations						
13. Result analysis and discussion						
14. Comparative study with traditional work						
15. Clarity and presentation of the paper						
16. Conclusion of the paper						
17. Reference list is adequate and correctly cited						
18. Implications of the generalization and precision
