Dear Mr Emil Nafan,

Congratulations. Your submission (IVIC23: 053-062) entitled "Improving autonomous robot gripper position on lifting trash object based on Object Geometry Parameters and Centroid Modification" has been **accepted** for presentation at the Conference.

You are therefore requested to submit "Camera-ready paper" by **Wednesday, August 23rd, 2023**. When submitting the camera-ready paper, make sure you follow STRICTLY the format of our conference proceedings in order to be included. Do ensure that the file is in **Microsoft word** document. Please click the following link for proceeding format:
https://www.ukm.my/ivic/?page_id=741

The reviewer's comments, if any, are provided to assist you in preparing your camera-ready paper. You may submit your Camera Ready paper here: [Submit Camera Ready / Revised Copy Now](#)

You are also required to download and fill in [Consent Form](#). You may submit your completed Consent Form and upload here: [Consent Form](#)

Please be reminded, the maximum number of pages is 15. **Above 15 pages will be charged 60 USD for each additional page.** Kindly revise your paper to be maximum 15 pages to avoid additional charges

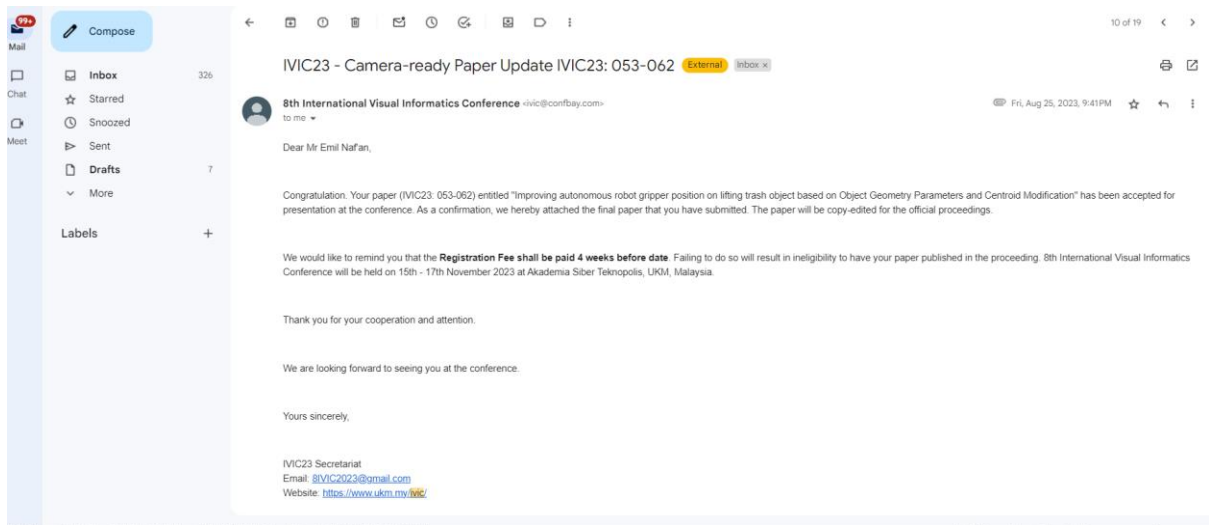

We would like to remind you that the **Conference Fee shall be paid 4 weeks before conference date**. You can make a payment [HERE](#). Failing to do so will result in ineligibility to have your paper published in the proceeding. The 8th International Visual Informatics Conference will be held on 15th - 17th November 2023 at Akademia Siber Teknopolis, UKM, Malaysia.

Thank you for your cooperation and attention.

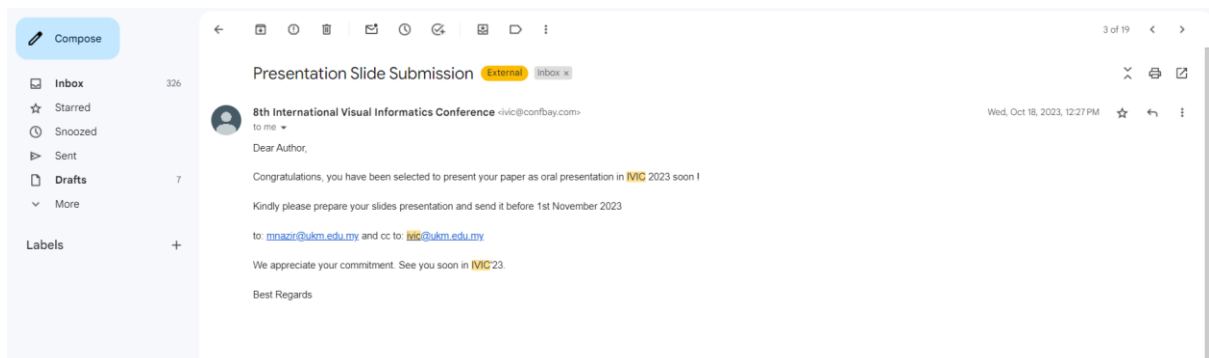

We are looking forward to seeing you at the conference.

Best Regards,
